

Human Growth Foundation's
ALL Nurses' Symposium:
On Land & Sea

PARTNERSHIP PROPOSAL

EXECUTIVE SUMMARY

The **Human Growth Foundation (HGF)** is proud to present a one-of-a-kind fundraising and educational experience: **The ALL Nurses Symposium: On Land and Sea**, taking place aboard the Royal Caribbean Wonder of the Seas, departing from Miami, Florida. This four-night symposium, held from **October 23–27, 2025**, combines professional development with community impact, advancing the treatment and care of children with rare growth, bone, and endocrine conditions.

We are inviting your company to join us by becoming an event sponsor, hosting exhibitor tables, or donating products and services. Sponsorship not only aligns your brand with a globally respected nonprofit, it places your company at the heart of a high-impact, high-visibility event.

ABOUT THE HUMAN GROWTH FOUNDATION

The Human Growth Foundation empowers communities by providing education and resources to families, healthcare professionals, and the public about childhood growth disorders. Through workshops, awareness, and professional training, the foundation fosters early diagnosis, effective treatment, and improved quality of life for affected children."

HGF PROGRAMS INCLUDE:

- Support for endocrine research and innovation
- Advance education and advocacy resources
- Lead awareness campaigns for rare disorders
- Host support groups for patients and caregivers
- Provide healthcare workers training and continuing education hours
